Message from the Canadian Blood Services

In August 2008, the Federal, Provincial and Territorial Ministers of Health asked Canadian Blood Services to develop – in collaboration with the expert communities, stakeholder groups, and the public - a recommendation for a new system to improve organ and tissue donation and transplantation in Canada.

Join the Canadian Blood Services at the Athletes' Village during dinner on Wednesday August 11th to learn more about our work to date, and to explore ways you can get involved in creating the ideal donation and transplantation system for Canadians.

A moving message from one of our torch bearers

On our website's main page, you will find a moving testimonial from Gordon Denison, who, with Nadine Ogonovski, will be part of the torch relay. Consider it a little preview of the Opening Ceremonies!

Star of the week: Jean-François Robillard

You may have spoken with Jean-François over the past few weeks as he is responsible for both the registration and accreditation of athletes. His attention to detail allows smooth Games in which you do not need to worry about administrative details!
