

## ATHLETE'S INDIVIDUAL SPONSORSHIP APPLICATION

Dear Member of Parliament,

MC2 Expérience stratégique, in collaboration with Québec-Transplant and Héma-Québec, is proud to inform you that the City of Québec will host the 5th Canadian Transplant Games, from August 9th to August 14th, 2010. Indeed, the Canadian Transplant Association (CTA) has chosen Québec for this event which will gather over 450 organ recipient athletes, aged from 5 to 77 (out of which over 150 are from Québec). They will be supported by many relations, friends and attendants. These sports competitions will let the population discover all the importance that must be given to organ and tissue transplant. The Canadian Transplant Games' 5th edition will welcome participants from Canada, the United States and other countries that will face off during friendly and healthy competitions while expressing their gratitude towards the families of donors.

Given the fact that individual application costs are \$249, I had hoped, as a citizen in your electoral district, that you would help my participation in the Games by covering either all or part of the required cost. As any other organ recipient, I do not have enough financial resources to participate in this unique event. I have to spend important sums monthly for my medical treatment and to face difficult employment. In addition, I will incur transportation costs and other sundry expenses. It is the reason why I ask you sincerely to endorse me by accepting this request.

Certain of the notice you will give to my request, I wish, Sir or Madam, to convey my best compliments to you.
